

# Adelaide

The pedigree patterns of success shown by the best progeny of Adelaide's sire Galileo are very helpful in predicting how Adelaide may work as a sire.

Mares carrying **ROBERTO** have worked beautifully with Galileo, producing twelve Group winners - five Group 1 winners - including four-time Group 1 winner Igugu and three-time Group 1 winner Found (both dams by **INTIKHAB**). Other damsires from this line include **RED RANSOM, DR FONG, SILVER HAWK, DYNAFORMER, KRIS S** (sire of **BROCCO**), **AT TALAQ, SRI PEKAN, LEAR FAN** and **TOUCHING WOOD**.

The **STORM CAT** line has experienced good success with Galileo, six at Group 1 level including Champion 2yo and 3yo, Churchill. Storm Cat can be sourced via mares by sires such as **SCAT DADDY, SHAMARDAL, HENNESSY, TALE OF THE CAT, VAN NISTELROOY, JOHANNESBURG, MUKADDAMAH, GIANT'S CAUSEWAY** and **BLACK MINNALOUSHE**.

As a grandson of Sadler's Wells, Adelaide should respond well to reinforcement of the **GOODY TWO SHOES** family. Apart from Sadler's Wells' brothers **TATE GALLERY** and **FAIRY KING** (sire of **ENCOSTA DE LAGO, FALBRAV, SHINKO KING** and **HELISSIO**) and three-quarter brother **NUREYEV**, influences in mares such as **NORTHERN METEOR, THATCHING, GEIGER COUNTER, YEATS, INFLATE, PERUGINO, LORENZACCIO, VAL DE LOIR** and **OPEN DAY** are appealing for Adelaide. **ZABEEL** mares not only carry Nureyev, they also have family member Val De Loir.

In support of the above suggestion of creating line breeding to **GOODY TWO SHOES**, five-time Group 1 winner New Approach is by Galileo out of a granddaughter of **LORENZACCIO**. Dual Group 1 winner Red Rocks has **FAIRY KING** as his second damsire. Closer to home, Australian Group 2 winner Sertorius is out of an **ENCOSTA DE LAGO** mare.

Mares from the **NUREYEV** line have also produced several top class racehorses by Galileo including Group 1 winner Rip Van Winkle (mare by **STRAVINSKY**); Champion 2016 Irish 2YO Rhododendron, Group 1 winners Hermosa and Hydrangea (all dams by **PIVOTAL**); and Together Forever (**THEATRICAL**).

The presence of three lines to Northern Dancer begs the inclusion of other **ALMAHMOUD** family members in mares, such as **DANEHILL, HALO** (sire of **DON'T SAY HALO** and grandsire of **MORE THAN READY**), **MACHIAVELLIAN** (sire of **STREET CRY** and **VETTORI**), **CATRAIL, EL MOXIE** and **ARCTIC TERN**. Dual Group 1 winner Red Rocks is out of a **MACHIAVELLIAN** mare.

Adelaide's impressive 2YO winner and Group 1 prospect, Funstar is out of a **DANEHILL** mare and therefore inbred 4x3 to **DANZIG**. She is also inbred 5x5 to **MILL REEF** through a daughter and son (**SHIRLEY HEIGHTS**).

The **ALMAHMOUD** family has already experienced much success with Galileo. Mares by **DANEHILL** are responsible for producing World Champion, Frankel and seven-time Group 1 winner, Highland Reel. In total, 17 of Galileo's Group 1 winners are out of mares by Danehill or sons of Danehill. Amongst others, 2016 European Filly of the Year Minding is out of a **DANEHILL DANCER** mare; 4-time Irish Group 1 winning filly Winter is out of a **CHOISIR** mare; and Group 1 winner Johannes Vermeer is out of a **HOLY ROMAN EMPEROR** mare.

**BLUSHING GROOM** is present in the pedigrees of six Group 1 winners by Galileo, including multiple Group 1 winners Gleneagles, Noble Mission and Lush Lashes. Blushing Groom will also appreciate the presence of Nijinsky II in Adelaide, as they have a long history of affinity. Damsires carrying Blushing Groom include **RAINBOW QUEST, QUEST FOR FAME, NASSIPOUR, FANTASTIC LIGHT, NOVERRE, REDDING, SPECTRUM, VISCOUNT** and **WAR PASS**.

Mares by **UMATILLA, BACHELOR DUKE, PAPAL POWER** and **TOUGH SPEED** create a sex balanced duplication of their sire **MISWAKI** when mated with Adelaide.

Adelaide's damsire Elnadim is from the **FALL ASPEN** family. Desirable line breeding can be created by broodmares carrying fellow family members such as **BIANCONI** (a three-quarter brother to Elnadim), **DUBAI MILLENNIUM, FORT WOOD, HAMAS, TIMBER COUNTRY, MEDAALY** and **CHARWOOD FOREST**.

Galileo's second damsire Lombard is from the family of **VAGUELY NOBLE**. He can be sourced via mares by **NOBLE BIJOU, DAHAR, GAY MECENE, EXCELLER, VAL D'ARNO** or **NOBLE DECREE**. Galileo's Group 1 winner Niwot is out of a **NOBLE BIJOU** mare.

Other Australian-bred Galileo progeny to win Group races include Il Saggiatore (mare by **SNIPPETS**), Linton (**CENTAINÉ**), Sousa (**LAST TYCOON**), Gallant Tess (**DIESIS**), Muir (**ROYAL ACADEMY**), Lightinthenite (**GRAND LODGE**) and Rain Gal (**HURRICANE SKY**). Other stallions with daughters 'downunder' include the damsires of triple UK Group 1 winners Australia (**CAPE CROSS**) and Lush Lashes (**ANABAA**).

Three Group 1 winners by Galileo have **MR. PROSPECTOR** up close in their dams' pedigrees. Mares by or carrying sires including **FUSAICHI PEGASUS, HUSSONET, RHYTHM, STRAIGHT STRIKE, STREET CRY, UNBRIDLED'S SONG, KINGMAMBO, E DUBAI, DISTORTED HUMOR, THUNDER GULCH, VETTORI, WOODMAN, FAPPIANO, GEIGER COUNTER** or **MACHIAVELLIAN** are candidates for Adelaide.
