

Pride Of Dubai

A dual Gr. 1 winning son of top class Mr. Prospector line sire Street Cry, Pride Of Dubai has many strong pedigree points to exploit.

Mares by **INVINCIBLE SPIRIT** and therefore his son **I AM INVINCIBLE** create a strong cluster pattern when mated with Pride Of Dubai. Invincible Spirit is a grandson of Danzig out of a daughter of **ELJAZZI**, while Pride Of Dubai's dam is a granddaughter of Danzig out of **ELJAZZI**. Another member of this female family is **PITCAIRN**, who appears in the pedigrees of daughters of **EQUIANO** via **ELA-MANA-MOU**.

Danehill prominent in Pride Of Dubai is supported by fellow **ALMAHMOUD** family members Halo, Machiavellian and Northern Dancer. Halo is represented by a daughter. It is desirable to sex balance this key ancestor by using broodmares carrying sons of **HALO**. Mares by **DON'T SAY HALO**, **OREGON**, **SOUTHERN HALO** and his sons (including **MORE THAN READY** and **DUBLEO**), **SUNDAY SILENCE** and his sons (including, **FUJI KISEKI**, **GENUINE**, **KEEP THE FAITH** and **BUBBLE GUM FELLOW**) are examples. Pride of Dubai's stakes winning half brother **AL ANEED** is out of a daughter of **MORE THAN READY**.

Pride Of Dubai is out of a daughter of Danehill and has appeal for broodmares by **DANEHILL** grandsons and great grandsons. 'Sex balancing' (bringing together a son and a daughter of an individual in a mating) to Danehill is the most successful way to duplicate this prepotent influence, producing Group 1 winners **GUELPH**, **ASTAIRE** and **SOUTHERN LORD** and many other top performers.

An interesting 'Rasmussen Factor' pattern is created by using Pride Of Dubai with mares by **SHAMARDAL**. His dam Helsinki is a sister to Street Cry.

Two of Street Cry's 18 Gr1 winners **SEVENTH STREET** and **WINX** share similarities via their damsires. Winx's dam carries **SUCCESS EXPRESS**, while Seventh Street's damsire is **MEADOWLAKE** - both sons of **HOLD YOUR PEACE**.

Street Cry's Champion daughter **ZENYATTA** is out of a mare by **KRIS S**, a son of **ROBERTO**. Mares by Kris S's son **BROCCO** would approximate this cross, while daughters of other Roberto line sires will also be interesting. They include mares by **RED RANSOM** and his sons such as **SRI PEKAN**, **DUPORTH**, **ALL AMERICAN**, **CHARGE FORWARD** and **DOMESDAY**, plus **DYNAFORMER** and **AT TALAQ**.

The presence of Danzig and Rockefeller in Pride Of Dubai's dam calls for the presence of the third prominent **LADY SUSAN** family member, **BLETCHINGLY**. These three descendants have a long history of affinity. Broodmare sires such as **CANNY LAD**, **BEST WESTERN**, **SHOW A HEART**, **BUREAUCRACY** and **HURRICANE SKY** all carry Bletchingly.

Champion 3-Year-Old **WHOBEGOTYOU** is by Street Cry out of a **CARNEGIE** mare (creating a duplication of Riverman). His dam also creates a sex balanced duplication of Mr. Prospector with Street Cry.

Pride of Dubai's second damsire Artaius is bred on a Round Table / My Babu / **SELENE** combination. This is repeated in the pedigree of Sir Tristram's dam, Isolt. Mares carrying the **SIR TRISTRAM** sireline are therefore desirable, including those by **MILITARY PLUME**, **ZABEEL**, **OCTAGONAL**, **LONHRO**, **RESET**, **GROSVENOR** and **KAAPSTAD**.
