

Starspangledbanner

Starspangledbanner showed great versatility, establishing himself as a top-class performer in two continents, while winning Gr.1 races over 5.5, 6 and 8 furlongs. His versatility as a stallion is underlined by the fact that his 24 worldwide SWs are out of mares by 22 different stallions.

Starspangledbanner is a proven match for mares by **MR PROSPECTOR** line stallions. His multiple Gr.1-winning son State of Rest is out of a mare inbred 3x3 to **MR PROSPECTOR**, her sire **QUIET AMERICAN** being a son of **FAPPIANO**. **MR PROSPECTOR** line mares also supplied several of Starspangledbanner's good 2YOs in 2021. The smart Castle Star has a dam by **IFFRAAJ**, whose son **WOOTTON BASSETT** sired the dam of another smart 2YO in Gr.2-placed Cheerupsleepyjean. Gr.3 winner Hermana Estrella is out of a grand-daughter of **SPEIGHTSTOWN**, and **ELUSIVE QUALITY**, another son of **GONE WEST**, sired the second dam of Flotus.

Two of his fast Group winners are out of mares by middle-distance Gr.1 winners by **SADLER'S WELLS**, namely **HIGH CHAPARRAL** and **BEAT HOLLOW**. **HIGH CHAPARRAL** also sired the dam of California Spangle, a big earner in Hong Kong, and the grandam of Breege, a Group-placed 2YO in 2022. He also has a Listed winner and a Gr.3-placed 2yo with dams by **GALILEO**.

Starspangledbanner's Group winner, Anthem Alexander, is out of a mare by **NIGHT SHIFT**.

DANEHILL will be back in the fourth generation of Starspangledbanner's foals. The Gr.1-placed Great Wide Open, out of a **DANEHILL** mare, is inbred 4x2. Starspangledbanner owed two of his black-type 2020 2YOs to daughters of **ORATORIO** and **HOLY ROMAN EMPEROR**, and he has two good 2022 2YOs out of daughters of **BATED BREATH** and **ZOFFANY**, these being inbred 4x4 to **DANEHILL**.

Starspangledbanner had a €330,000 2022 yearling out of a **DANSILI** mare.

There's plenty of scope with other **DANZIG** lines. His fast daughter Flotus has a dam by **INVINCIBLE SPIRIT**.

OASIS DREAM mares had 2022 yearlings sold for 350,000gns and €325,000. A son of Starspangledbanner sired the classic-winning Coeursamba from an **ANABAA** mare, and this mare had a 550,000gns 2022 yearling by Starspangledbanner.

PIVOTAL sired the dams of Gr.3 winner Spangled and Australian Gr.2 winner Brooklyn Hustle, while **EXCELLENT ART** sired the dam of Gr.2 winner Aloha Star. Mares by **KYLLACHY** and **SIYOUNI** are likely to suit. He also has a Group performer out of a daughter of **PEINTRE CELEBRE**.

Starspangledbanner has an Australian Gr.2 winner with a dam by **GIANT'S CAUSEWAY** and a Gr.2-placed winner out of a **FOOTSTEPSINTHESAND** mare. **SHAMARDAL** and **LOPE DE VEGA** mares should therefore also suit him.

Starspangledbanner sired a Gr.1 winner from the **DOYOUN** branch of the **MILL REEF** line.

Mares by **AHONOORA**, **INDIAN RIDGE** and **INCHINOR** look a sure-fire means of producing smart juveniles and sprinters and it was an **INDIAN RIDGE** mare which produced Gr.1 winner Millisle.

SHARPEN UP is so far back in Starspangledbanner's pedigree that there is no obstacle to sending him mares from this male line, which has worked so well with Danehill and his sons.

His Gr.2 winner Aloha Star has a second dam by **HALLING**.
