

# Uncle Mo

Uncle Mo dominated the 2010 Experimental Free Handicap, leading by a margin of 5lb. His victories included the Champagne S. and Breeders' Cup Juvenile. He missed the Triple Crown races because of illness but was officially rated joint-second among the American 3yos on the World Thoroughbred Rankings when he wired the field in the Gr.2 Kelso H., earning the huge Beyer Figure of 118.

Uncle Mo wasted no time in demonstrating similarly outstanding talent as a stallion. His total of first-crop GSWs stands at a tremendous 14. Although none of his first four crops were sired at more than \$35,000, they've produced 26 GSWs (seven Gr.1 winners). Now his fifth crop, sired at \$75,000 has notched up ten GSWs well before the end of its sophomore season. He's now making a name for himself as a sire of sires, with three sons among the leading first-crop sires of 2020.

Uncle Mo is ideal for **MR PROSPECTOR** line mares. He owes 18 of his Graded winners to mares from this male line.

The **GONE WEST** branch provided him with Gr.1 winner Gomo and Gr.3 winner Lost Raven (both out of daughters of **ELUSIVE QUALITY**) and Gr.2 winner Laoban (out of a **SPEIGHTSTOWN** mare).

**UNBRIDLED** is the broodmare sire of Gr.1 winner Unbridled Mo, while his sons **EMPIRE MAKER**, **UNBRIDLED'S SONG** and **UNTUTTABLE** all rank among the broodmare sires of Uncle Mo's Graded winners. The Gr.1 Wood Memorial winner Outwork has an **EMPIRE MAKER** dam. Uncle Mo's 2020 Gr.2-winning juvenile Golden Pal has a dam by **MIDSHIPMAN**, a son of **UNBRIDLED'S SONG**.

Nyquist is one of three Gr.1 winners with a Mr Prospector line mare as his second dam. Uncle Mo is doing well with the **AFLEET** branch, with his foals out of **AFLEET ALEX** mares featuring Gr.1 winner Dream Tree. He sired a Gr.3 winner from a **NORTHERN AFLEET** mare.

Uncle Mo has sired Nyquist and Auntie Joy from daughters of **FORESTRY** and Gr.3 winners from daughters of **STORM CAT**, **BLUEGRASS CAT** and **TALE OF THE CAT**. His Gr.2 winner Harvest Moon has a dam by **GIANT'S CAUSEWAY**'s son **SHAMARDAL**.

Uncle Mo sired Gr.2 winner Yaupon from a mare by **VINDICATION**. His first foals with **BERNARDINI** mares include Gr.1 winner Mo Town and two Gr.2 winners.

Uncle Mo already has three Graded winners that are inbred either 4x2 or 4x3 to **DIXIELAND BAND**, including the Gr.2 winner King Guillermo.

Uncle Mo has SWs out of mares by **DEPUTY MINISTER**, **FRENCH DEPUTY** & **DEFRERE**.

Uncle Mo is out of a mare by **ARCH**, a member of the **HAIL TO REASON** line mare, but that hasn't stopped him siring the top 2yo Bast from another **ARCH** mare, creating 3x2 to **ARCH**. He also has Gr.3 winners from daughters of **DYNAFORMER** and **SAINT BALLADO**.
