

# Yes Yes Yes

Yes Yes Yes is a direct descendant of GRAND DUCHESS, also the ancestress of Blushing Groom, who appears on his fourth remove. Mares carrying individuals such as **MILL REEF** (tail male ancestor of **DOYOUN**, **MILLIONAIRE**, **SHIRLEY HEIGHTS**, **DALAKHANI**), **FUJIKISEKI**, **MAGIC RING**, **WESTERN SYMPHONY** and **PIPE OF PEACE** can reinforce this line.

MISS SWAPSCO is the ancestress of Blushing Groom's son Rahy. This is the female family of **SINGSPIEL**, a half brother to Rahy, as well as **SAINT BALLADO**, **DEVIL'S BAG**, **RIVOTIOUS**, **JAN MURRAY** and **MANSHOOD**, who may appear further back in mares' pedigrees.

Yes Yes Yes' sire Rubick is a descendant of the influential **TORPENHOW**. Rubick is closely related to **REDOUTE'S CHOICE**. Yes Yes Yes also carries fellow **TORPENHOW** family member **Nijinsky II** (twice). As well as these three, Yes Yes Yes would benefit from the presence of other **TORPENHOW** family members in mares, such as **AL MAHER**, **TRY MY BEST** (sire of **WAAJIB** and **LAST TYCOON** - sire of **O'REILLY**, **TOWKAY**, **MARJU** and **BIGSTONE**), **THE MINSTREL** (sire of **PALACE MUSIC**, **BAKHAROFF** and **MASTERCLASS**), **NIAGARA**, **DOMESDAY**, **GOOD JOURNEY**, **HURRICANE SKY**, **XAAR**, **UMATILLA**, **NEW REGENT**, **EL GRAN SENOR**, **SPINNING WORLD** and **GIELGUD**.

His great-grandsire Fairy King is a brother to **SADLER'S WELLS** and **TATE GALLERY** and a three-quarter brother to **NUREYEV**, all of whose female descendants are great candidates for Yes Yes Yes. Mares by Nureyev line sires such as **STRAVINSKY**, **SPINNING WORLD** (sire of **THORN PARK**), **STARCRAFT**, (sire of **STAR WITNESS**), **PEINTRE CELEBRE**, **PIVOTAL**, **GOOD JOURNEY** and **ASHKALANI** suit. The Sadler's Wells line can be sourced via such damsires as **GALILEO**, **HIGH CHAPARRAL**, **BARATHEA**, **SINGSPIEL**, **EL PRADO** (sire of **ARTIE SCHILLER**), **KING OF KINGS**, **MONTJEU** (sire of **TAVISTOCK**), **SCENIC** and **CARNEGIE**, amongst many others.

Encosta De Lago is from the **FANFRELUCHE** family. Other members include **FLYING SPUR**, **HOLY ROMAN EMPEROR**, **KHELEYF**, **D'ACCORD** and **L'ENJOLEUR** (who appears in the pedigree of sires **ST. REIMS** and **KITTEN'S JOY**).

Rubick's damsire Rock of Gibraltar traces to **RIVER LADY**, also ancestress of **RIVERMAN**. Sources of Riverman to seek include **BRIEF TRUCE**, **RIVOTIOUS**, **EXIT TO NOWHERE** and **LOUP SAUVAGE**.

The presence of Danehill, Halo and six lines to Northern Dancer suggest other **ALMAHMOUD** family members such as **ORPEN**, **WAY OF LIGHT**, **MACHIAVELLIAN** (sire of **STREET CRY** and **VETTORI**), **ESPERERO**, **EXIT TO NOWHERE**, **CATRAIL**, **EL MOXIE** and **ARCTIC TERN**. Sons of **HALO** to sex balance the daughter (Rahy's dam) are also appealing. He is sire of **SUNDAY SILENCE**, **DON'T SAY HALO** and grandsire of **MORE THAN READY** (sire of **SEBRING**). Yes Yes Yes' female family is working with **DANEHILL**, with stakes winners by three of his sons in the pedigree, including dual Group 1 winner **In Her Time** (by **Time Thief** by **Redoute's Choice**).

Sons of Mr Prospector work well with several elements in Yes Yes Yes' pedigree, and will also sex balance the daughter, second dam of Encosta De Lago. They include **FUSAICHI**, **PEGASUS**, **HUSSONET**, **MACHIAVELLIAN** (sire of **VETTORI** and **STREET CRY**), **RHYTHM**, **KINGMAMBO**, **STRAIGHT STRIKE**, **E DUBAI**, **DISTORTED HUMOR**, **THUNDER GULCH**, **UNBRIDLED'S SONG**, **WOODMAN**, **FAPPIANO** and **GEIGER COUNTER**.

The **SIR TRISTRAM** line works very well with both Encosta De Lago and Rubick's close maternal relation, **Redoute's Choice**. Daughters of descendants such as **LONHRO**, **PIERRO**, **KAAPSTAD**, **SOVEREIGN RED**, **MARAUDING**, **GROSVENOR**, **DON EDUARDO**, **MILITARY PLUME**, **SAVABEEL**, **OCTAGONAL**, **ZABEEL** and **DR. GRACE** are desirable for Yes Yes Yes.
